### Preparing your order...

When ordering by Web, Mail, or Fax, please be sure to include the following information.

- Purchase Order Number
- Name of Authorized Purchaser
- Ship To Address if different from Bill To Address
- Complete Phone Number
- If it is your company's policy to issue a confirming order following telephone orders, be certain the order is clearly marked as confirming
- Catalog description of items being ordered: quantity, model or part number, section number or page number of catalog item, etc.

### Base Price vs. Assembled

Unless otherwise specified, all prices assume the Base Price. Where indicated, the optional Assembled Price includes basic pre-assembly of the unit, limited to attaching the motor, legs, and switch brackets. Please indicate your preference in the "special instructions" area of the order form as well. Additional assembly is sold separately.

### What you will receive with your order...

When you order standard products from the catalog, the following are supplied.

- Catalog item as indicated by part number on order
- Accompanying components for assembly (legs, switch brackets, other items)
- Product documentation including: Assembly & setup instructions where applicable; Maintenance information; Replacement parts lists

### Acceptance of orders...

Acceptance of Buyer's order is conditioned upon the Buyer's agreement to the standard terms and conditions of sale supplied during order clarification. If any of the terms and conditions are not acceptable to the Buyer, Dürr Ecoclean must be notified immediately. Please contact us to obtain an advance copy of the standard terms and conditions of sale.
